Health Nugget: Caring for the body God gave us: Let pupils be impressed with the thought that the body is a temple in which God desires to dwell, that it must be kept pure, the abiding place of high and noble thoughts. As in the study of physiology they see that they are indeed "fearfully and wonderfully made", they will be inspired with reverence...Thus they will come to regard obedience to the laws of health, not as a matter of sacrifice or self-denial, but as it really is, an inestimable privilege and blessing. Education 201 *I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works, And that my soul knows very well. Psalm 139:14*
